

## **Attention Ashtabula County Voters Enhancements to In-Person Absentee Voting**

**In accordance with recent legislative changes, the Ashtabula County Board of Elections is updating the In-Person Absentee Voting process in Ashtabula County. The updated system is similar to what voters experience on Election Day, while still providing the convenience and reduced wait times.**

- **Absentee Voting is still open to all registered voters in Ashtabula County and will continue to take place at the Ashtabula County Board of Elections office.**
- **Voters will now state their name and address, provide an accepted form of identification ([list can be found here](#)), and provide their signature.**
- **The new in-person absentee process removes the added step of filling out an entire application. Now voters will simply sign a form provided by an Election Official.**
- **If you do not have or do not want to provide one of the forms of identification list above, you can submit a completed application for an absentee ballot that provides your driver's license number or the last four digits of your Social Security Number to receive and cast an absentee ballot in-person. This is the process we had previously used.**
