BOARD OF ELECTIONS MONITORING COUNTY GOVERNMENT CYBER EVENT

Voter and Election Records Remain Secure

Our office is aware of a malware event involving the Clark County government computer network. We are monitoring the situation, and we have proactively engaged our IT and cyber security providers to review our systems to ensure that they are secure. We are fully committed to the security of the data and systems in our care, and we will continue to monitor the evolving situation with the county and continue to be vigilant for attempted intrusions on our network.
