After completing the Voter Declaration/Affirmation, use the initial election notice issued on the 100th day before the election and the updated election notice issued on the 46th day before the election as a guide to:

- (1) write the name of each candidate or issue contest for which you are casting a vote and then
- (2) write the name of your choice of candidate or choice for or against an issue.

After you have completed the FWAB, **you must PRINT the ballot and MAIL it to your county board of elections at this address:**
